Subject: President Bush/Fairbanks stopover

I have just heard from the White House. The President will stop to refuel at Eielson AFB on August 4th between 3:30 and 4:30, local time.

The Governor is invited to greet the President at Eielson. Todd and Track are invited as well. The White House recognizes that Track may have military obligations that will preclude his involvement. However, in the inimitable way of the White House, they now want to know as soon as possible whether Todd and/or Track will attend.

The White House will identify a point of contact to facilitate the arrangements, but this has not yet occurred. They promised to get back to us as soon as possible with this information.

In addition to meeting with the Governor, the President will interact with military personnel. I don't yet know in what context this will occur.

The White House has Janice's name, and I told them to feel free to contact her directly as circumstances warrant. Janice, could you provide your cell phone number for weekend contact by the White House?

p.s. Our principal contact at the White House is Elizabeth Dial. Her office number is 202-456-2896, and her cell is Privileged or

Subject: RE: Legislative Investigation -- Computer Hard Drive Collection

As part of preparing to respond to the legislature's investigation, the Office of the Governor has authorized the collection of computer and laptop hard drives. This process will involve a staff member of ETS collecting an image of the hard drives on your office computers, laptops, and external storage devices such as USB zip drives. Darrell Davis is the point of contact at ETS and will be directing the collection effort.

In the case of DPS computers, laptops and external storage devices, a DPS staff member will perform the imaging process.

This collection process will start after business hours tomorrow night and go through the weekend. It will be done in a manner that will minimize disruption in access to your computer, though please be advised that the imaging process takes 1-2 hours, which is why we are performing the collection after business hours.

If there are documents that you need to use while your computer is being imaged, you may copy them to a storage device such as an external USB zip drive so as to have access to them while your computer is being imaged. Do not delete such documents from your computer, however.

To the extent that there are unrelated documents or files on your computers that are confidential or privileged please contact me so that we perform the collection process for the legislative investigation in a manner that does not waive the confidentiality or privilege of those unrelated documents or files.

Additionally, we would ask that you begin to collect paper documents in your possession or control that are relevant to the subject of the legislative investigation. Either myself or Susan Cox, who will be assisting in this collection effort, will be contacting you soon regarding the collection of these documents.

Please contact me immediately if you have any questions regarding this matter.

Subject: PSA re Ballot Measure 2

Greetings everyone. Attached is a public service announcement and poster developed last week regarding statewide ballot measure #2 scheduled for the primary election on August 26th, sponsored by Bethel's Tribal Council (ONC). The AK Bushmailer donated a full page in their August edition that will be distributed to appx 49,000 P.O. boxes through the bush villages, with an additional 48,000 thru the Mat-Su and Talkeetna area outlets. Scheduled arrival in mailboxes should be happening from August 10th thru the 15th.

Anyone who has the interest and ability for whom the message strikes a harmonic chord, is welcome/encouraged to distribute further (community bulletin boards, hand-out copies to public, localized/regional media etc.) thru other avenues where it could benefit the purpose. It could be especially useful for urban constituents. Prior to leaving Anchorage I posted it at Alaska Zoo, Sportsman's Warehouse, Sam's Club on Old Seward, and Diamond Mall.

Also included for review/convenience are a couple word doc's with bullet points surrounding the issue. Trust and hope this finds everyone otherwise doing well. Have a good rest of the summer and beyond...

Governor,

CONGRATULATIONS! What a great day for Alaska and Alaskans. All your Anchorage staff are so proud to be just that – your Anchorage staff☺

I did want to let you know that I was contacted this afternoon by Tim Caspar with Hillsdale College, requesting a copy of your remarks when all is said and done, because it's very likely they'll want to use this speech as a column in *Imprimis*. How cool is that? Anyway, I've changed the speech to reflect today's results, and I've asked Janice to print it off and make sure it gets to you. I look forward to seeing you next week, and perhaps you can verify for me how close you kept to the speech, so I can know how to alter it further before submitting it to Hillsdale.

Thanks so much, Governor, and I hope you are able to truly savor this day.

Governor – I will be dropping off the updated speech for Saturday shortly to the house. I also received the pile of TA's that were retyped and will need your signature. Do you want those brought over or should I just leave here if you will be in this weekend?

I also am awaiting the Disaster Declaration that once I receive via email will need to come into the office to run off in final for your signature. It is looking like it may come through later this evening or tomorrow some time. I will let you know. Thanks, Janice

Sharon- don't answer until I hear back from Nizich, Barnhill, et al. Hopefully they gave you some talking points already today. Thanks
And I don't have Barnhill's email address and can't reach anyone to find it, so please pass this email on to him before Sharon returns ADN's call. Thanks

Governor, I praise the Lord for you. You / your team are part of an amazing plan that we can't even imagine. Thanks so much for supporting us.

This is a verse that I received shortly after I agreed to work for you. I have saved it for this day. :)

Psalm 28:7 (NIV)

The Lord is my strength and my shield; my heart trusts in Him, and I am helped. My heart leaps for joy and I will give thanks to Him in song.

THANK GOD!!

Now the work begins. I want you to know I hope you will use me as these implementation groups' forms. I feel compelled to **look out** for Rural Alaskans! Most folks who are supposed to make it fair really just give lip service. The genuine people I know of who can make a difference (in State gov) are Emil and Rhonda. I also think Ivy has great potential and is a true heart.

Carpet baggers and opportunists will come crawling out of every nook and cranny. I know how they work Sarah. "You scratch my back, and I will scratch yours" is their mantra (as you know). The money is mind boggling and a recipe for corruption.

Use me, I'm here to serve.

Congratulations to you on a spectacular victory. Your family deserves my gratitude too for all the support they give you so you can do all of this for Alaskans. I am so moved! I am so proud of you.

Tara Jollie
